## **Consultation questions regarding the refined options for strategic new homes growth**

**You need not answer all the following question or make comments but if you seek to answer Questions 4 and 5 you must complete the question in full by ranking all preferences otherwise it will invalidate your response.**

**Q1. Do you have any comments on how to meet the needs of specialist groups such as affordable and Starter Homes, Custom or self-build homes, specialist homes for older people, and sites for the Travelling Community?**

**Q2. Where are the sites within Hart District that you think may be appropriate for:**

**a) Affordable and Starter Homes?**

**b) Custom and Self Build?**

**c) Homes for older people?**

**d) Travelling communities?**

**Q3. The Council has an existing Settlement Hierarchy (2010). If the scale or sustainability of existing settlements could be used to inform the acceptability of dispersing some of the future new home requirement, it is important to ensure that the existing hierarchy is correct.**

**Do you agree with the current Settlement Hierarchy?** *(Please tick)*

Yes	
No	

**If not, how should it be changed?**

--

**Q4. Of the 3 possible approaches that could deliver new homes in Hart, which one should we prioritise to deliver the majority of our housing needs?**

Please rank your choice in order of preference (1 = most preferred to 3 = least preferred)

You need not answer this question but if you seek to answer it you must complete the question in full by ranking all preferences otherwise it will invalidate your response.

Option	Rank
<b>Approach 1:</b> <b>Disperse development throughout the following towns and villages:</b> <i>Blackwater &amp; Hawley, Crondall, Crookham Village, Dogmersfield, Eversley, Ewshot, Fleet &amp; Elvetham &amp; Church Crookham, Hartley Wintney, Hook, Rotherwick and Yateley.</i>	
<b>Approach 2:</b> <b>Strategic Urban Extensions at main settlements</b> <i>(West of Hook; Pale Lane, Fleet; and West of Fleet)</i>	
<b>Approach 3:</b> <b>A new settlement at Winchfield</b>	

**Q5. If we need to combine approaches, which combinations do you prefer?**

Please rank your choice in order of preference (1 = most preferred to 4 = least preferred).

You need not answer this question but if you seek to answer it you must complete the question in full by ranking all preferences otherwise it will invalidate your response.

**Please provide any further comments on this below.**

[illegible]

**Q6. The accompanying “New Homes Sites Booklet” shows, by Parish, sites that are available for the development of new homes. Do you have any comments on any of these sites?**

**For parishes where there is a choice of two or more shortlisted sites (in red and listed on the tables on each map), please rank the sites in order of preference (1=most preferred, then 2, 3, 4 etc. to least preferred). Please add any comments to support your ranking.**

You may complete the ranking for as many parishes as you like. In terms of the weighting given to responses to this question, regard will be paid to how close you live to the sites being ranked. Please read the New Homes Site Booklet for more detail.

Please note that Question 6 and the sites booklet relate only to ‘non-strategic’ sites. Very large site ‘strategic’ site options covered under Approaches 2 and 3 (Strategic Urban Extensions and New Settlement) are not included in this ranking exercise. If you wish to make comments on those sites please do so under Questions 4 and 5 of the response form.
